VISION STATEMENT

Harvest for Lost Souls Outreach Ministry's vision is to touch the world with God's saving love by imparting & implanting the Word of God into the lives of the lost, hurting, rejected, and those who are bound by life controlling problems and see them set free by the true revelation of God's Word. Fulfilling our vision includes harvest crusades, conferences, radio & television broadcasts, and outreach evangelism.

*Motto - "Find A Need & Fill It -
 Find a Hurt & Heal It"*

What happens when you hear the voice of God? Some question, others look for ways to see if it's true, or others obey the voice of God! I have learned that obeying the voice of God leads to supernatural results! (Jeremiah 7:23, Isaiah 1:18, 19)

Because I heard the voice of God, you are here tonight & because of obeying the voice of God, we are in the launching stage of Harvest Katy!! Below you will see up-coming events and ways you can get involved!
